

SKYFARM

Set in the hills of Kangaroo Valley, SKYFARM is unique - a fully equipped private haven, exclusive to you and the guests you choose.

With stunning views over the Morton National Park to Jervis Bay and only 2½ hours drive from Sydney and Canberra.

The house has a backdrop of rainforest and is surrounded by pasture and native forest, the habitat of wombats, wallabies, lyrebird and other wildlife.

SKYFARM is your own private retreat, where you and your guests can relax, indulge and completely unwind. Offering peace and tranquillity in a wonderful natural environment and with all the comforts.

- Private and secluded.
- Four bedrooms with ensuites, made up with crisp linen and fresh towels.
- Your choice of king size or twin beds for complete flexibility.
- Spacious day pavilion with sitting and dining areas and kitchen.
- Stereo/CD Player, TV and VCR.
- Fully equipped kitchen with quality china, glassware, cookware and modern appliances including gas barbecue for your own catering.
- Wood burning combustion fires in day pavilion and oil filled radiators in bedrooms, allow for cosy winters.
- Verandahs all around with breezeway and lap pool for summer outdoor entertaining.
- In all seasons and all directions, the amazing view.
